

New Jersey VFW's 'Federal Legislator of the Year' Crisscrosses District to Pay Tribute to Our Veterans

Burlington County – This Memorial Day Weekend, Congressman John Adler, the only NJ member of the House Veterans' Affairs Committee, will spend his time honoring our veterans in Burlington and Camden Counties. New Jersey's Third Congressional District is home to the nation's first tri-service joint-base and over 66,000 veterans, and the Congressman has made it a priority to listen to our local veterans by forming a Veterans Advisory Board and frequently visiting with Veterans of Foreign Wars (VFW) and other veterans groups throughout the district. On Saturday, June 19, Congressman Adler will be presented with the New Jersey VFW Federal Legislator of the Year Award for his work and legislation on issues such as medical misconduct at the Philadelphia Veteran's Affairs (VA) hospital, the VA claims process and providing the benefits and opportunities that our veterans deserve.
